12/30/05 - [Zwebner] Fashion Rock v. Torelli, Rosenberger, Rosenberger, Henderson, Villasenor, etc.: Hendersen issues stern warning to John M. Hollen:

Background: In June of 2004, Fashion Rock, a company owned by Lou Perlman and affiliated with Michael Zwebner, filed suit against a variety of individuals, including noted author, raconteur, and web site operator Les Hendersen (see: <http://www.klaasdevriesjr.nl/k-files/talentrock/>). Another individual associated with Fashion Rock created a web site designed to spam the false and malicious lawsuit. Hendersen has since filed suit against said web site and anyone propagating or spamming its claims.

One such person who has spammed the web site in question is John M. Hollen, under the alias jmhollen on SI (see: SI message 22012179).

Les Henderson has issued the following warning to Hollen and others who might wish to spam the web site:

"The information posted and republished from the Lou Pearlman-controlled website regarding conspiracy and RICO suits is both false and defamatory. As such, I, Les Henderson, have initiated legal proceedings, from my place of residence, the province of Ontario, Canada, against sixteen individual and corporate defendants. I request that no further dissemination of this material occur, as I simply do not wish to incur the expense of adding additional tortfeasors to my already extensive claim."
